

Marvell 88SM4140 SATA Port Multiplier

1-to-4 SATA Ports, 3Gb/s SATA, SEMB

PRODUCT OVERVIEW

The Marvell® 88SM4140 Port Multiplier allows one host 3Gb/s SATA port to communicate with up to four devices, including optionally, one SATA Enclosure Management Bridge (SEMB) port.

SEMB gives the host the ability to check parameters such as temperature, fan speed and LEDs using the same SATA connection that is used for data transfer. SEMB, if used, utilizes the fourth port of the Port Multiplier as its device port.

BENEFITS AND FEATURES

KEY BENEFITS	KEY FEATURES
<ul style="list-style-type: none"> • Host Port 	<ul style="list-style-type: none"> • 3Gb/s SATA • PHY Test self-test mode • High speed UART for debug assist
<ul style="list-style-type: none"> • Device Ports 	<ul style="list-style-type: none"> • Up to four 3Gb/s SATA ports (3 if SEMB is enabled) • Spread spectrum clocking for low EMI • PHY Test self-test mode
<ul style="list-style-type: none"> • SEMB 	<ul style="list-style-type: none"> • Check temperature, fan speed, LEDs • Control fan speed
<ul style="list-style-type: none"> • Package 	<ul style="list-style-type: none"> • 80 pin LQFP ePad

TARGET APPLICATIONS

- Personal computers
- Entry-level servers
- Any host with a SATA port

THE MARVELL ADVANTAGE: Marvell chipsets come with complete reference designs which include board layout designs, software, manufacturing diagnostic tools, documentation, and other items to assist customers with product evaluation and production. Marvell's worldwide field application engineers collaborate closely with end customers to develop and deliver new leading-edge products for quick time-to-market. Marvell utilizes world-leading semiconductor foundry and packaging services to reliably deliver high-volume and low-cost total solutions.

ABOUT MARVELL: Marvell (NASDAQ: MRVL) is a global leader in providing complete silicon solutions enabling the digital connected lifestyle. From mobile communications to storage, Internet of Things (IoT), cloud infrastructure, digital entertainment and in-home content delivery, Marvell's diverse product portfolio aligns complete platform designs with industry-leading performance, security, reliability and efficiency. At the core of the world's most powerful consumer, network and enterprise systems, Marvell empowers partners and their customers to always stand at the forefront of innovation, performance and mass appeal. By providing people around the world with mobility and ease of access to services adding value to their social, private and work lives, Marvell is committed to enhancing the human experience. As used in this release, the term "Marvell" refers to Marvell Technology Group Ltd. and its subsidiaries. For more information, please visit www.Marvell.com.
